- Phone fixing (everything from replacing spare parts to motherboard soldering).

Achievements
- Polished my skills of bringing a company to number one on the market.

2005 – 2009

Education
Lviv Polytechnic National University, Applied Linguistics

Summary
You can download PDF instructions from my website: http://diaryofrepetitions.com.

Print them out and give to your employees.
This will bring your company to being number one on the market in a matter of weeks, as it develops meta-programming skills.

The list of technologies I worked with can be found on my StackOverflow page.

This CV is available in other languages on my LinkedIn page.

Skills

Skill	Level
Ruby on Rails	5/5
Web Architecture	5/5
Automation	5/5
Project Management	5/5
Corporate Strategy	5/5
Ruby Style Guides	5/5
OOP	5/5
Design	4/5
Blender	4/5
Linux	4/5
Deployment	4/5
JavaScript	3/5
Bash	3/5

* 5 = Can do it with my eyes closed.
* 4 = It takes a bit of time but I'll figure it out.
* 3 = Will probably use Google.
